

Lyndhurst - shop, eat & explore

Known as the capital of the forest there's no better starting point for visitors to the New Forest than Lyndhurst. The village is a vibrant and diverse centre full of local independent retailers. With a wide range of shops, cosy tea rooms, old world pubs, cafes and fine dining restaurants to discover and enjoy. Lyndhurst is refreshingly different from the average high street and is a great place to spend a few hours wandering around. This guide shows the village's diversity as well as an indication of where to buy and use your Brand New Forest card to get the best value out of your visit.

This guide is a partnership between Lyndhurst Chamber of Trade and New Forest District Council
